

'America is a Christian Nation'

Really? Let's see what they said...

Thomas Jefferson

John Adams

Thomas Paine

James Madison

“Christianity neither is, nor ever was, a part of the common law.”

“Christianity is the most perverted system that ever shone on man.”

“The government of the United States is not in any sense founded on the Christian Religion.”

“All national institutions of churches, whether Jewish, Christian or Turkish, appear to me no other than human inventions, set up to terrify and enslave mankind, and monopolize power and profit.”

“Religion & Govt. will both exist in greater purity, the less they are mixed together.”
